Virginia Manufacturers Association INCORPORATED - Antitrust Policy

The Virginia Manufacturers Association, Inc. is organized to promote, develop, and maintain the advancement of the industry. VMA is not intended to and may not play any role in the competitive decisions of its members or their employees, or in any way restrict competition in any respect of the industry. The Board of Directors, through this statement of policy makes clear its unequivocal support for the policy of competition served by the antitrust laws and its uncompromising intent to comply strictly in all respects to those laws. It is the individual responsibility of every member of VMA to be guided by the antitrust laws. It shall be the special responsibility of any committee chairperson and association officers to ensure that this policy is known and adhered to in the course of activities pursued under their leadership.
