

*A day of celebrating the
Commonwealth's manufacturing
sector in Virginia's Capitol Square.*
Monday, February 2, 2026

ARRIVAL

The General Assembly Building is located at the corner of Broad St. and 9th St. Enter at the public entrance located at the corner of Broad St. and 9th Street. All visitors are required to pass through a magnetometer and have their carry-on items screened by an X-ray machine prior to entry to the building. Note that all packages and bags are subject to physical search.

Once you are past security, proceed through the lobby using the hallway to the right of the information desk. The elevators are to the left, just before entering the cafeteria. Take the elevator to the 10th floor and proceed to House Subcommittee Room.

LOCATION

House Subcommittee Room, Floor 10
Virginia General Assembly Building
201 N. 9th Street
Richmond, VA 23219

PARKING

There are several public parking garages in and around Capitol Square. Typical parking rates (debit or credit cards only) are \$5/hour or \$20/day. Parking is first-come, first-serve, so we recommend arriving early to allow time to secure parking. See suggested parking locations below.
